

Capability Statement

RENDER TECHNOLOGY SYSTEMS

UEI No: KE9MD8FJA1B6

Cage Code: OQEF7

Executive Summary

Render Technology Systems is at the forefront of integrating artificial intelligence with cybersecurity to deliver less expensive, cutting-edge intelligent solutions that exceed mission requirements. Our recognized expertise in AI and cyber enables us to deliver innovative products and solutions developed using best practices and novel approaches via continuous research and practice advances.

Core Competencies

Research & Development

- Adversarial Tools and Tactics
- Cyber Threat Intelligence
- Cognitive and Behavioral Analytics

Cyber Operations

- Threat Modelling
- Threat Hunting
- Intrusion Detection and Prevention

Cybersecurity Services

- Threat Emulation: Red & Purple Teaming
- Vulnerability Assessment
- Penetration Testing & Risk Assessment

Past Performance

- **Cyber clinics Research:** Technical Lead for an NSA-funded Cyber Clinic which provides free cybersecurity services to small businesses.
- **Red-Team Research:** Technical lead on DOD-funded research on red-team cyber operations & AI research through a multi-year sub-award contract.
- **NSF-Funded Research:** Co-PI on several NSF funded research projects.

Differentiators

Experienced Team

A team of cybersecurity experts steeped in AI delivering novel and best practices AI/ML solutions that keep you ahead of the adversary.

Proven Success

Demonstrated success in protecting diverse clients from a range of cyber threats with measurable improvements in security posture.

Ongoing R&D

Continuous investment in research and development to stay ahead of emerging threats and technological advancements assure client's mission and significantly reduce operational risk.

NAICS Codes

- **541715:** Research and Development in the Physical, Engineering, and Life Sciences except Nanotechnology and Biotechnology
- **541690:** Other Science and Technical Consulting Services
- **541611:** Administrative Management and General Management Consulting Services
- **541990:** All Other Professional, Scientific and Technical Services
- **611420:** Computer Training
